VISION & MISSION

Our vision is to provide a comprehensive, one-stop Occupational Health and Wellness Service to mines and industries in Mpumalanga thereby assisting clients to manage their occupational health and safety risks adequately. Our mission is to honour our commitments to customers, shareholders, the community and each other and will accept personal responsibility and accountability to meet our commitments.

Occupational Health and Wellness

ABOUT US

Clinic Plus is a proudly South African company with its head office based in Witbank since 2007 October. The company was founded by Bertha van der Spuy-Lombaard and Daleen Harmse. Charity Mtimkulu joined us as Director of Clinic Plus in November 2014. The directors of Clinic Plus (Pty) Ltd operate under a generally accepted code of practices and conduct.

The Company is certified Level 2 contributor to BBBEE with a BEE procurement recognition level of 125%

All clients dealing with Clinic Plus can have total confidence that they are dealing with skilled professionals who provide an extraordinary level of service and the highest level of integrity.
